

## Office of Peace Justice and Integrity of Creation Special Update

# Celebrating Laudato Si

On June 3<sup>rd</sup> Sisters, Associates, and Companions will gather at Mount Saint Vincent to bless a newly planted Yoshino Cherry Tree dedicated to the spirit of Laudato Si. At the ceremony, the Sisters of Charity of New York will accept the Vatican's invitation to engage in the Laudato Si' Action Platform and commit to developing a multi-year plan of action. Sisters, Associates, Companions and Colleagues are invited to participate as we celebrate and recommit to living Laudato Si', ecological conversion and integral ecology.

At the end of Laudato Si' Week (May 16<sup>th</sup> – 24<sup>th</sup>), the Vatican's Dicastery for Promoting Integral Human Development will announce the Laudato Si' Action Platform that will formally be launched at the end of the Season of Creation (October 4<sup>th</sup>). All sectors of the Catholic Church are invited to join in a seven-year plan to deepen awareness of and action towards living integral ecology and ecological conversion.

## Laudato Si Week 2021 — May 16th to May 24th

**Celebrate** and learn during Laudato Si' Week 2021 - the crowning event of the Special Laudato Si' Anniversary Year and a celebration of the great progress the whole Church has made on its journey to ecological conversion. Daily webinars will be offered. Click [here](#) to register to see schedule and receive updates.

### Carry the Laudato Si Message to Congress

**Adopt-A-District** – click here to view Metro New York Catholic Climate Movement’s March 20<sup>th</sup> webinar to find out how you can bring a collective faith voice on Care for Our Common Home to legislators in Congress. For more information on Earth Friendly Bills before Congress click here. Click here to learn more about Adopt-A-District.

# LAUDATO SI' GOALS

HOPE FOR THE EARTH

AND THE POOR

The Sisters of Charity of New York will commit to these seven Laudato Si Goals. Together, we will identify and work towards measurable outcomes and action, growing our awareness of ecological integrity, and reminding ourselves that

**All is connected.**
